## SKILLS & TECHNOLOGIES

- JavaScript (ES6+)
- TypeScript
- HTML, CSS
- React
- WordPress CMS
- Node JS (Express)
- Serverless (Next, Firebase)
- Deployment (Vercel, Heroku)
- Microsoft Business Central

## PROJECTS

### Spotify 2.0

Responsive web app built with React using Next JS and Tailwind for visualizing saved playlists, tracks and a fully functional player to play/pause any song.

### Airbnb Clone

Web app built with React using Next JS and Tailwind with a simple UI, embedded calendar to filter places by date availability and Mapbox for places geolocation.

## LANGUAGES

- Spanish (native)
- English (C2)

Hi! My name is Santiago, I'm 23, and I enjoy creating things that live on the internet. I have dedicated the last three years of my life to taught myself software development.

I consider myself a highly motivated, task-driven, self-starting developer seeking to launch a career building web applications and services.

## PROFESSIONAL EXPERIENCE

### Freelance Developer

#### Cosmic Pixel | November 2021 - Actual
